

Project: Product Details Portal

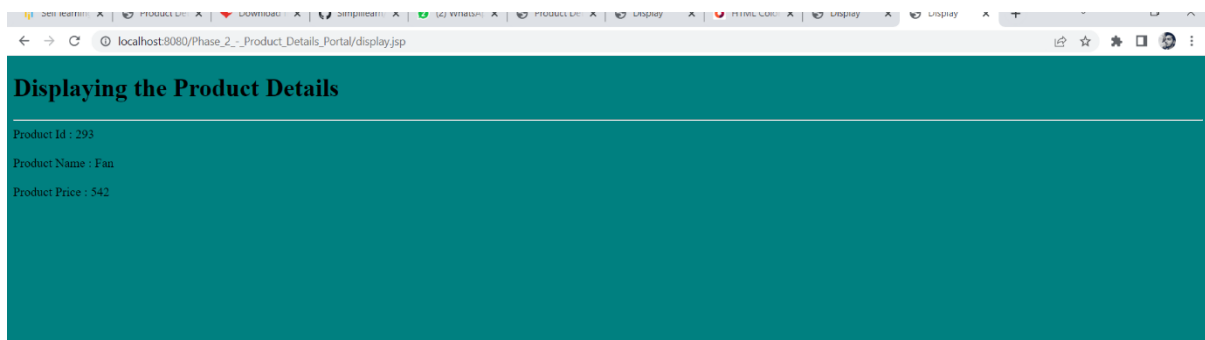

Screen Shots:

A screenshot of a web browser showing a form titled "Enter Product Details". The form is located on a purple background. It contains four input fields: "PRODUCT ID", "PRODUCT NAME", "PRODUCT PRICE", and "ENTER". The browser's address bar shows the URL "localhost:8080/Phase_2_-_Product_Details_Portal/product.jsp".

A screenshot of the same "Enter Product Details" form, but with data entered in the first three fields: "293" in the "PRODUCT ID" field, "Fan" in the "PRODUCT NAME" field, and "542" in the "PRODUCT PRICE" field. The "ENTER" button is still present. The browser's address bar shows the same URL.

A screenshot of a web browser showing a page titled "Displaying the Product Details". The page is located on a teal background. It displays the product details entered in the previous form: "Product Id : 293", "Product Name : Fan", and "Product Price : 542". The browser's address bar shows the URL "localhost:8080/Phase_2_-_Product_Details_Portal/display.jsp".
